

Testimonies

"Amherst Christian Academy has been a great blessing to our family. We have seen our son grow tremendously both academically and spiritually through the years at ACA. We are very grateful to the teachers, volunteers and the school staff. As parents, we feel that it is our duty to raise our son to be a disciple of Christ. We see Christian education as an essential investment into our child..."

- Nataliya, mother of a 5th grade boy.

"My daughter has had an opportunity to begin her education in a loving environment that invites learning through activity and play, thereby developing a positive foundation for her future school years."

- Andrea, mother of a pre-school girl.

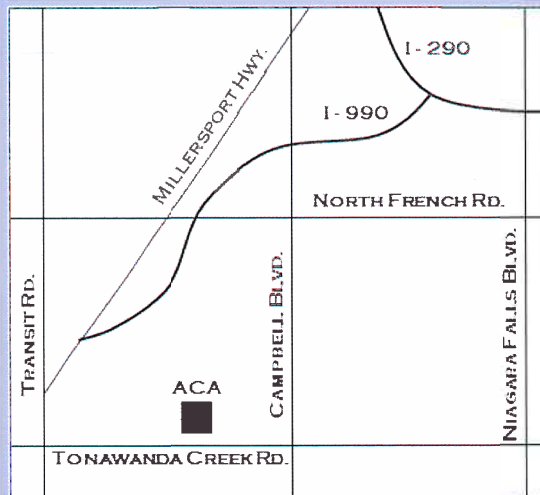

"Our sincere prayers have been for the school as God's ministry as well as for each student to be eternally molded in His image. Our thanks for the major effort and often seemingly unrewarding daily sacrifices that have been made. The work of each of you is a monumental blessing!"

- Ted and Elaine, parents of 2 ACA students.

Montessori Programs

Mission Statement

Amherst Christian Academy, a ministry of Creekside Assembly of God, serves the community as a Christ-centered school, committed to pursuing excellence in academics and character. We provide a loving, safe environment to develop servant-leaders through relevant studies and service opportunities.

Staff

At Amherst Christian Academy all classroom teachers are required to hold a valid New York State license to teach. We are fortunate to have skilled and kind-hearted staff. We also offer a low student to teacher ratio of eight to one.

Community

At Amherst Christian Academy we foster a sense of community around our students by inviting families to participate in our three annual festivals and our monthly educational field trips. We hope you will join our community of families.

Montessori Nursery

ACA offers a Montessori Nursery Program for children ages 18 months to three years old. Here children will learn letter and number recognition, develop fine motor skills, and learn classroom social norms while using hands-on learning materials. All children at ACA benefit from a Bible-based Christian curriculum. Children in the Montessori Nursery program enjoy a student to teacher ratio of 5 to 1. All of ACA's Montessori programs fulfill NYS standards for learning and are lead by NYS certified teachers who are trained in the Montessori method.

Montessori Early Elementary and Elementary

Children ages three to eight years old will experience Montessori learning in ACA's Early Elementary and Elementary classrooms. By the end of their Pre-Kindergarten year children will recognize all letters as well as numbers 1-20. These children will also know shapes and colors and be able to write their own name. By the end of their Kindergarten year children will read independently, count to 100 by 1's, 5's and 10's, add single digit numbers, and write independently. Children in the Early Elementary and Elementary programs enjoy a student to teacher ratio of eight to one.
