

Title 1 Survey

The purpose of this survey is to collect data that will be used to determine the amount of funds available for the public school district to provide Title I services to eligible students in our school. Determining the number of our students, by public school district of residence, who would qualify for free and reduced-price lunches, accomplishes this. The information requested below is confidential. It is not necessary to provide family names.

A. Find your family size and look at the annual gross income level listed beside it on the chart printed below.
