Elementary Montessori Teacher

If you love working with elementary children, if you are loving, patient, humble, diligent, hardworking and kind, if you come home feeling energized and fulfilled after working with children, we want to talk with you. The elementary Montessori teacher will be part of an educational team and must be a team player. We are a private Christian school using the Montessori philosophy for children 1 to 8 years old.

The elementary Montessori teacher will run a learning center of approximately 15 children from 4 to 5 years old with an aide. The children will develop social skills for working in groups. They will learn to read, single digit addition and subtraction. The children will explore the physical world through hands-on science activities and relevant social studies lessons. Physical education, music, and art will be led by a separate ACA team member.

The elementary Montessori teacher will be responsible for facilitating student learning in the center, assisting students in their activities, monitoring students' progress, reviewing materials with students, assessing and reporting students' progress using student portfolios and online reporting software, managing the classroom, and leading a daily Bible lesson for their center.

Faculty at ACA enjoy the benefit of small classroom sizes and a healthy Christian atmosphere. The salary is competitive with private schools in the area and benefits are available. There is also potential for advancement.

Amherst Christian Academy (ACA), a ministry of Creekside Assembly of God, is a community of staff, students and their families committed to pursuing excellence in academics and character through a Christ-centered, research-based, affordable, education. We strive to disciple the complete student in authentic faith and love who will influence the world for Christ.

The elementary Montessori teacher must have a NYS teacher's certification or equivalent. Montessori training is preferred, but not required. Interested applicants may send their cover letter and resume to principal@aca.academy. The cover letter should be addressed to Michael Caban. This job posting will remain up until the position is filled.
